

The **PREMIUM BAR SMART HAND** is an accessory that holds a Premium or Premium Pro dent-removal bar in position to assist the panel beater in their work.

- ✓ Set up the PREMIUM BAR SMART HAND quickly and easily using a simple locking mechanism.
- ✓ The bar can be positioned in any direction thanks to an innovative ball-joint locking system.
- ✓ Excellent handling and stability.
- ✓ Compatible with all GYS Premium and Premium Pro dent-removal bars.
